ANNUAL REPORT

Reach high, for stars lie hidden in your soul.

Dream deep, for every dream leads the goal.

We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty.

It is the changes that we all go through our lives that constantly improves us, and with Maya Angelou's words portraying this thought in the most dazzling way possible, I would like to wish you all a very pleasant morning.

On behalf of the management, staff and students of the **Acadia World School**, Near Sitasar Mandir, Jakhepal-Budhlada Bye-pass Road, Sunam-148028, Distt. Sangrur (Punjab), I cordially welcome our Chief Guest. I also welcome the other invited dignitaries and all parents to this occasion that is our School's first Annual Function & the Prize Distribution Ceremony.

In **AWS**, we believe that every individual has a lot of potential, and that potential can help accomplish wonders. That is why; it is fair to say that we thus believe that the future of the world starts here.

Vision determines directions of effort and prioritizing deployment of resources at our disposal, and our vision is to make our school one of the best schools of our city by providing quality education to our students through best in class academic facilities and churn out citizens who is inspiring leaders with a humane touch.

Excellence in academics is the hallmark of a good institution and details of this year's achievers in academics are as shown on the slide.

Teachers Empowerment Programs:

"Teachers are also learners." Staying updated is the key to success in any field, especially, in education. Our teachers constantly strive to stay updated by attending workshops & various training Programs.

Our teachers also attended workshops conducted by **Extramarks** to enhance their skills.

Student Achievements:

The competition is not only among the fellow students of **AWS**. They need to extend their boundaries and emerge as victors among other students of the city.

In this era of English taking over all other languages, it was indeed a very heart warming and beautiful moment when our students took part and won in Competitions.

Assemblies are an essential part of schools, for they not only promote a sense of collective belonging to the school but they also educate the students in various ways. Best Assembly Trophies were awarded to the winning classes, along with the Best Class Awards.

Co- Curricular Activities

By providing a conducive and encouraging environment, the students are mentored to participate in a variety of intra and interschool activities/competitions. It enables the student to grow in confidence, knowledge & enhance their all-round development.

3. Lectures by Invited Parents

As said by Martin Rees, "Crucial to science education is hands in involvement: showing, not just telling; real experiments and field trips and not just Virtual Reality."

In times of need, it our basic responsibility to help those who need it, and with this thought, the students organized a Community Outreach Program and Donation Drive for Flood Victims.

To add a new flavour to the daily assemblies, themes are given to corresponding sections of the school, along with one day being dedicated to any special day of the week.

Various clubs are introduced for skill development and to generate inquisitiveness and interest and encourage students to bring out creativity. This year we have introduced clubs for Primary and Secondary class students.
